Subject: Approval of Extension of the Due Date for Submittal of the Completion Documentation Associated with CBFO CAR 20-016 Resulting from Audit A-20-09, NWP/CCP Quality Assurance Program

Reference: NWP Letter QA:20:00196 UFC:2300.00 dated August 20, 2020, from Dennis Ivey to Joe Lopez

Dear Mr. Ivey:

In response to the referenced letter, the Carlsbad Field Office (CBFO) has reviewed Nuclear Waste Partnership's (NWP's) request for an extension of the due date for submittal of completion documentation associated with CBFO Corrective Action Report (CAR) 20-016, which was issued as a result of Audit A-20-09, NWP Central Characterization Program Quality Assurance Program.

The justification provided for the extension is acceptable. Extending the due date will allow NWP ample time to complete procedure revisions and provide resultant documentation. The CBFO therefore approves extending the due date for submittal of the completion documentation associated with CAR 20-016 to October 8, 2020, as requested by NWP.

If you have any questions concerning this approval, please contact me at (575) 499-5054.

Sincerely,

JOE
